

# Do you need health insurance?

Make a free appointment at UNC Health Lenoir's Medicaid Enrollment Event. The first 80 attendees will receive a free meal kit.

Medicaid is a health insurance program that pays for doctor visits, emergency care, dental care, mental healthcare, pregnancy and maternity care, prescription drugs and more – **at little or no cost to you.**

You may be able to get healthcare coverage through NC Medicaid, even if you didn't qualify before.
